### Facebook Group

There are now 1400+ members in this new group. We know there are thousands more of you out there! Join now to see what people are discussing. To join this private group, [click here](#) & then click **Join Group** on the Facebook page. This group is an excellent news resource.

### ECLIPSE EHR Cloud First Look

We expect to release ECLIPSE EHR Cloud later in 2022. You can see a quick 5 minute overview [by clicking here](#) & we suggest you zoom the video to fill your screen. [Click here](#) for the FAQ:

A ribbon bar with the patient's photo & other key info is always visible — unless you hide it momentarily. Take a patient's photo directly from the device you're using!

The screenshot shows a patient profile form for Mike Newton. At the top, there is a ribbon bar with the patient's photo, name, and ID. Below this, the form is divided into several sections: Name, Address, Contact(s), Demographics, and HIE Consent. The Contact(s) section includes fields for contact type, phone, email, and mobile number, with checkboxes for HIPAA allowed and primary contact. The Demographics section includes fields for DOB, gender, marital status, and ethnicity. The HIE Consent section includes a status dropdown and an effective date field. At the bottom right, there are 'Save' and 'Cancel' buttons.

Add as many contact points as exist for this patient.

HIPAA allowed contact?

Primary contact flag?

The menus on the left can be collapsed & expanded at will to maximize screen real estate.

Separate forms for viewing & editing minimize accidental edits & maximize displayed data.

Click to edit.

The screenshot shows the same patient profile in a view mode. The form is split into two columns: Patient Details and Case Details. The Patient Details column contains fields for address, phone numbers, email, mobile number, and demographics. The Case Details column contains fields for current case, assigned provider, managing provider, managed care profile, facility, attorney, occupation, referral, employer, and form & statement comments. At the top right, there are 'Save' and 'Cancel' buttons. A 'Click to edit' callout points to the edit icon in the top right corner.

Sincerely,  
*Karen Walters, D.C.*
